NSC Request for a Three-Year Projection of Program

There is attached a communication for the Director of Central Intelligence from the Executive Secretary, National Security Council, dated 19 June, amplifying a prior directive from the Executive Secretary, dated 13 June, also attached. The form and substance of the response to the request for a three-year projection, submitted by 15 July, will be considered by the Director on his return to Washington next week. Inasmuch as any response will be a consolidated coordinated one on behalf of the entire intelligence community, the attached paper is forwarded now to afford your agency the opportunity to assemble relevant data.
